Dear

As you may be aware, the Government announced some updates in relation to the wearing of masks during the pandemic.

The advice is that masks should be worn by adults and students when moving around the premises, outside of classrooms, such as in corridors and communal areas where social distancing cannot easily be maintained. Masks should also be worn by students when travelling on dedicated school transport.

Students should bring their own masks to school for the period of this new lockdown, and we trust you will support us in this measure.

Please do not hesitate to contact me should you wish to discuss further.

Yours sincerely
